Alternate formats of these forms are available upon request.

Complete both:

- **Disability Registration Form** and
- **Disability Certification Form**

Return these forms in a timely fashion to insure adequate time to make accommodation arrangements for the academic year. Our ability to respond to a student's request for accommodations and services is dependent upon receiving appropriate documentation.

The College reserves the right to determine what is considered a reasonable accommodation. Service providers will review each student's documentation and work with students individually to determine appropriate and reasonable accommodations.
